

Wabash County Speakers Bureau

Do you enjoy what you do? Would you like to help our students have a brighter future?

The Chamber Education Projects Committee of the Wabash Area Chamber of Commerce is looking for speakers to add to a Speakers Bureau. This data will be used by teachers who are looking for a guest speaker on a particular topic related to their class lesson, or as part of a career decision making program. If you are willing to be a speaker, please send this form back to the Wabash Chamber of Commerce. Do you have people working for you who would be willing to speak? Please pass this information on. Thanks for your help!
