BUSINESS COMMUNITY RECOGNIZES STUDENTS

The Wabash County Chamber of Commerce and the North Manchester Chamber of Commerce co-hosted the 8th Annual Honors Student Luncheon, which was Academically Sponsored by Manchester College on April 12, in the Honeywell Center Ford Theater Lobby. The purpose of the event was to honor top graduating seniors from the county high schools, and to have an opportunity to encourage local talent to return to their home for employment opportunities during the summers or after graduation from their college experience. BUSINESS COMMUNITY RECOGNIZES STUDENTS

Continued from page 1

Indiana has been faced with a statewide problem commonly referred to as the “brain drain.” Indiana is turning out a great group of educated young people who then turn to other states for their first employment opportunities. This luncheon is one effort at encouraging our group of talented young people to consider their hometown, or at least home area, in their future plans. This is an opportunity for us to extend this message before outside sources have an opportunity to attract their talents. This is also a special opportunity for the entire group of Wabash County Honor Students to gather together.
