

Young Professionals Network

Mission Statement

The Young Professionals Network of Wabash County seeks to create a sense of community and enrich the quality of life among young people in Wabash County. It is our mission to:

- Organize social and professional networking opportunities for young professionals to meet new people and make business contacts
- Provide programs for potential young professionals in the area to promote youth retention
- Support the existing community through local projects and events
- Offer a comfortable environment for young people with the common goal of professional development

Young Professionals Network

We are actively looking for members and business sponsors to help us succeed in our mission. If you know of someone who would like to join the YPN, or know of a local business that would be interested in sponsoring this dynamic group, please contact us via our website. We are always accepting new ideas for community events or projects that will help us continue to develop the young professional network of Wabash County.
